2. CATEGORIES FOR ADMISSIONS FOR MANAGEMENT SEATS

Selections are based on the following categories: General Merit, Service, Minority Network and Institutional Preference

2.1 GENERAL MERIT (GM) CATEGORY

Candidates fulfilling the eligibility criteria as per Table 1 and have applied to CMC Vellore for Medical PG 2024.

2.2 SERVICE (S) CATEGORY

Candidates with proof of two years fulltime service in areas of need, as defined in Annexure 2 (mission hospitals / leprosy hospitals / Armed Forces / Government PHCs / tribal areas /rural and remote areas / work in slums with registered NGOs) and fulfilling the eligibility criteria as per table of Section 1.

2.3 MINORITY NETWORK (MNW) CATEGORY

The aim of Christian Medical College, Vellore is to train individuals for service in needy areas, especially in Christian mission hospitals. To this end, Christian students fulfilling the eligibility criteria as per table of Section 1 and have fulfilled criteria as per section 3 are encouraged to apply, to be considered under the Minority Network category. Any Christian Church or Organization which is a member of the Christian Medical College Vellore Association or Council, which operates its own medical work, and Christian Medical College Vellore, are eligible to recommend Christian candidates for the various educational courses run by CMC Vellore. For the list of eligible Minority Network Organizations, please refer to *Annexure 1*.

2.4 INSTITUTIONAL PREFERENCE (IP) CATEGORY

The Institutional Preference category will be for candidates who have done their undergraduate MBBS course from Christian Medical College, Vellore & completed 2 years of service obligation for the MBBS course. Such candidates should have fulfilled the eligibility criteria as per table of Section 1 and should have applied and been recommended either in the MNW or IP category and have undertaken to serve in CMC or in its network hospitals for a minimum period of three years.

3. RULES GOVERNING MINORITY NETWORK CATEGORY CANDIDATES

Candidates who previously had a service obligation for the M.B.B.S./Diploma/Degree courses with one of the Minority Network Organizations or the Christian Medical College, Vellore, and are now applying for a postgraduate course will be governed by the following regulations:

- A) The candidate who had a service obligation for the M.B.B.S. course is required to serve the concerned recommending body for a period not less than two years, before being considered for selection to any postgraduate course. Any remaining service period in excess of two years that may have been agreed upon towards service obligation for the M.B.B.S. course may be completed at a later date, with the written permission of the Minority Network Organization, provided the candidate is recommended again for the postgraduate course by the same Minority Network Organization. Candidates must submit a copy of the service obligation completion certificate issued by the appropriate authority of the Minority Network Organization, which must state the dates of commencement and completion (or expected date of completion) of obligatory service as well as the period and categories of their leave allowed and availed.
- B) Any Christian Church or Organization which is a member of the Christian Medical College Vellore Association or Council which operates its own medical work in India is eligible to recommend candidates for the various educational courses run by CMC, Vellore, provided the organization does not run the said course. In addition, the Christian Medical College, Vellore is also a recognized recommending body.
- C) All Organizations that are eligible to recommend candidates for selection to the M.B.B.S. course, are eligible to recommend candidates for postgraduate diploma and degree courses, provided they do not offer the same course/s in hospitals or colleges of their own Minority Network Organization. This sub-rule does not apply to CMC, Vellore.
- D) The service obligation arising from recommendation by a Minority Network Organization should be given as service, and non-fulfilment of service violates the spirit of the obligation and the aim and objectives of the Association.
- E) Students who do not fulfil the service obligation will not be eligible for admission to further studies or for appointment as staff of CMC, Vellore. They will not be given any certificates other than those statutorily mandated by the University and respective Professional Council / Regulatory Body.

F) The Principal is authorized to withhold transcripts and other non-statutory certificates issued by the College until the service obligation is fulfilled.

Candidates who are applying for any postgraduate course under the Minority Network category will be governed also by the following regulations:

i) Recommendation by a Minority Network Organization will be considered as valid only if the candidate has applied under Minority Network (MNW) category in the CMC application form AND the church /organization provides the appropriate details on the prescribed forms for the minority candidates AND the candidate has fulfilled the service criteria of two years full time service in recognized hospitals of the CMC Vellore Minority Network. The MNW organizations may recommend a candidate for up to 5 preferred courses.

ii) When a candidate is recommended by a Minority Network Organization for admission to a postgraduate course/s, the candidate must sign an agreement to serve the same organization for a minimum period of two years following diploma courses and three years following degree courses. The duration of service obligation for the M.Ch Neurosurgery- Broad specialty (post MBBS) course is 6 years. If the Minority Network Organization is unable to utilize the service of such a candidate, the college will reserve the right to utilize the candidate's obligatory service. The service obligation should only be in terms of service. However, if a Minority Network category student seeks relief from the service obligation agreement due to extraordinary circumstances, the request will be considered on merit. Marriage, securing a job outside the country, being selected for a postgraduate/super specialty/fellowship course elsewhere is not considered extraordinary circumstances. Nonfulfillment of service obligation will result in a penalty of Rs. 40,00,000/- (Rupees Forty Lakhs) for PG degree courses and Rs. 20,00,000/- (Rupees Twenty Lakhs) for PG diploma courses to CMC, Vellore in addition to any penalty payable to the State Selection Committee.

iii) To be considered under Minority Network category for postgraduate courses, candidates should have served a minimum period of two years fulltime, in any position, (excluding any training period for University recognized courses) in one or more recognized mission hospitals of any of the supporting bodies of this institution after graduation. This period should have been completed by 15/08/2024. Candidates must submit a copy of the certificate(s) issued by the authorized signatory of the supporting bodies of CMC Vellore which must state the dates of completion (or expected date of completion) of two years of service, as well as the period and categories of leave allowed and availed.

iv) Recommendation by the Minority Network Organizations will be on the basis of the need of the organization to have trained personnel for their Mission work.

v) No candidate shall pay any amount exceeding Rs.750/- to the Minority Network organization towards registration for recommendation and certification to the Minority Network category. Collection of any amount in excess of Rs.750/- as donation / security deposit / retainer or in any other form by the Minority Network organization is a violation of the Christian Medical College Vellore Association and Council resolutions and guidelines.

- Nonfulfillment of service obligation will result in a penalty of Rs. 40,00,000/- (Rupees Forty Lakhs) for PG degree courses and Rs. 20,00,000/- (Rupees Twenty Lakhs) for PG diploma courses to CMC, Vellore in addition to the penalty payable to the State Selection Committee.

5. SELECTION PROCESS

As per the order of the Hon'ble Supreme Court (I.A. No. 110584/2022 in W.P.(C) No. 8/2022) dated 10th August, 2022:

50% of the seats shall be filled up by the management by the same procedure that was being followed for earlier academic years by the college on the basis of inter-se merit as per the NEET results.

50% of the seats will be filled by the State Government out of which

(i) 30% of the seats will be filled by the State Government following its policy of reservation strictly in accordance with the NEET merit list

(ii) 20% of the seats shall be filled by the State Government candidates belonging to the Christian minority from the State strictly in accordance with the NEET merit list. CMC graduates who serve and fulfill the bond obligation outside Tamil Nadu as part of CMC's graduation program will be eligible for admission under this 20% minority quota, upon certification by the Principal of the Institution and them being within the merit for Christian minority.

The distribution for the 50% Management Quota seats is as follows:

Clinical specialties: 70% of seats are filled by candidates belonging to Minority Network category; 10% of seats by candidates with proof of two years fulltime service in areas of need (Service category), as defined in Annexure 2; 10% of seats by the Institutional Preference category candidates; 10% of seats will be under the General Merit category (if available management seats are 8 or more for the specified course).

Pre and para clinical specialties:

In the Preclinical MD courses (Anatomy, Biochemistry, Physiology), MD Pharmacology and Diploma in Clinical Pathology, 50% of seats are filled by Service category and the remaining by General Merit category.

For MD Microbiology and MD Pathology courses, 50% of seats are filled by candidates belonging to the MNW/IP/Service category and the remaining 50% by General Merit category.

In all specialties, Institutional Preference seats will revert to Minority Network category if eligible candidates are not available. In the event of insufficient number of MNW candidates being available in the rank list of Tamil Nadu Management Quota for Self-financing Colleges for any course, the seats will revert to the other categories in the following order of priority: Service and General Merit.

In the hierarchy of seat allocation, the order is as follows:

- For candidates who are eligible for both MNW and IP categories: GM → Service → MNW → IP
- For candidates who are eligible only for the IP category: GM → Service → IP
- For candidates who are eligible only for MNW category: GM → Service → MNW
- For candidates who are eligible only for service category: GM → Service
- For candidates who are eligible only for General Merit category: GM

(Note: candidates who are eligible for MNW and IP category, will also be eligible for service and general merit category; candidates eligible for service category will also be eligible for general merit category)

For the 50% management seats, in addition to having applied to CMC Vellore, candidates must also apply to the Tamil Nadu State Selection Committee for management seats in self-financing medical colleges.

For the 50% Government seats (including 20% Christian minority seats), candidates must apply to the Tamil Nadu State Selection Committee for Government seats in self-financing medical colleges.
